

Announcement of Walailak University

Subject : Policy on Landfill Waste Reduction and Recycling B.E. 2566 (2023)

.....

Walailak University, with her active interest in reducing waste going to landfills and promoting recycled materials, issued the current policy on waste and hazardous waste management B.E. 2565 (2022), as a guiding protocol for tracking or measuring the amount of landfill and recycled waste to strengthen Walailak University's goal toward developing the best sustainable and green university.

By virtue of the provision of Section 24 of the Walailak University Act, B.E. 2535 (1992), in order to further contribute to Walailak University community's responsible consumption and production (SDG 12), Walailak University's Policy on Landfill Waste Reduction and Recycling, B.E. 2566 (2023), includes the following particulars:

1. This announcement shall be called "Walailak University's Policy on Landfill Waste Reduction and Recycling B.E. 2566 (2023)".
2. This announcement shall take effect the next day following the announcement.
3. Walailak University shall promote campaigns on promoting communities' awareness of the significance of minimizing and, where possible, preventing the generation of waste at sources on campus.
4. Walailak University shall minimize the use of all kinds of waste that ends up in landfills to avoid generating it in the first place.
5. Walailak University shall donate usable office supplies or other items, rather than binning them as landfill waste.
6. Walailak University shall transfer technology and knowledge leading to landfill waste reduction and boosting the recycled waste rate to local, regional, national, and international communities.

7. Walailak University shall equip students with their awareness and knowledge of waste management and recycling through education programs.

8. This policy shall apply to activities across all sites and to all parties concerned, e.g., all staff members, students, subcontractors, vendors, suppliers, and visitors.

9. The President shall be in charge of the policy implementation in line with this announcement. Any interpretation or operations discrepancies will be finalized and settled based on the president's proposition.

Announcement since 31 October 2023

Announcement Date 2 November 2023

(Prof. Dr. Sombat Thamrongthanyawong)
Acting President of Walailak University
