

## Announcement of Walailak University

### Subject : Policy on Marine Pollution Reduction B.E. 2566 (2023)

.....

Located near the Gulf of Thailand, Walailak University recognizes the urgent prioritization for actions to prevent and reduce marine pollution in order to promote human health, preserve marine and coastal ecosystems, and mitigate economic costs and impacts of marine pollution. To support the United Nation's Sustainable Development Goals, Walailak University hereby issues the current policy on marine pollution reduction B.E. 2566 (2023), as follows:

1. This announcement shall be called "Walailak University's Policy on Marine Pollution Reduction B.E. 2566 (2023)".
2. This announcement shall take effect the next day following the announcement date.
3. Walailak University shall promote campaigns and disseminate information to raise public awareness and proper understanding of marine pollution reduction and marine ecosystem conservation.
4. Walailak University shall support increased integration of marine pollution reduction into education, research, and academic services.
5. Walailak University shall follow national standards to continually improve the quality standards for water, air, noise, and other environmental aspects to make sure that marine ecosystems and biodiversity will not be harmed.
6. Walailak University shall keep updated information and data from the government services in matters concerning the enhancement of marine pollution reduction.
7. Walailak University shall monitor and explore the marine environment both on and beyond the campus that is likely to be affected, changed, or contaminated by pollutants, resulting in the deterioration of marine environmental quality.

8. Walailak University shall provide assistance to local people to initiate marine pollution prevention projects and activities.

9. The President shall be in charge of the policy implementation in line with this announcement. Any interpretation or operations discrepancies will be finalized and settled based on the president's proposition.

Announcement since 31 October 2023

Announcement Date 2 November 2023

  
(Prof.Dr.Sombat Thamrongthanyawong)  
Acting President of Walailak University
