

Announcement of Walailak University

Subject: Public Transportation and Student Vehicle Usage at Walailak University for the Academic Year 2024

Walailak University is dedicated to enhancing the quality of life for its students in all aspects. This commitment includes the provision of public electric shuttle buses across the campus to ensure safer and more convenient transportation, in line with Sustainable Development Goal 11 (SDG 11) which promotes sustainable cities and communities. This initiative aligns with the 'Safe and Livable City' policy, propelling Walailak University towards a safer and more eco-friendly campus powered by renewable energy sources.

By virtue of the provision of Section 24 of the Walailak University Act, B.E. 2535 (1992), Walailak University issues the Announcement regarding Public Transportation and Student Vehicle Usage for the Academic Year 2024, as follows:

1. Walailak University aims to provide electric shuttle bus services for all main campus routes.
2. The university encourages students to use bicycles, electric bicycles, and electric motorcycles on campus to minimize the risk of accidents, enhance safety, and support the Green University initiative.
3. The use of all types of electric vehicles is promoted, with electric charging stations available on campus. Fuel-powered motorcycles are prohibited to align with the Green University policy.
4. Students wishing to use vehicles on campus must complete vehicle registration at the Division of Student Support and Development by May 2024.
5. Starting in the Academic Year 2024, Walailak University will only permit vehicle registration for electric bicycles, electric motorcycles, cars, and electric cars. Fuel-powered motorcycles will not be accepted for registration, except for students who have already completed registration prior to the Academic Year 2024.

Announced on 4 October 2024

(Prof.Dr.Sombat Thamrongthanyawong)

President of Walailak University
