Announcement of Walailak University

Subject: Policy on Disability Accommodation and Inclusive Facilities, B.E. 2569 (2026)

Walailak University is committed to fostering an inclusive, equitable, and accessible environment for all students, staff, and visitors. In alignment with its mission to promote social responsibility and sustainable development, the University recognizes the importance of ensuring equal access to education, services, and campus facilities for persons with disabilities, individuals with special needs, and those requiring maternity care.

To support this commitment, Walailak University shall provide and continuously improve accessible infrastructure, facilities, and support systems, while promoting a barrier-free campus environment that respects human dignity and diversity. This Policy establishes the framework to guide the development, implementation, and enhancement of disability accommodation and inclusive facilities across the University.

By virtue of Section 24 of the Walailak University Act, B.E. 2535 (1992), Walailak University hereby issues the Policy on Disability Accommodation and Inclusive Facilities, B.E. 2569 (2026) as follows:

1. This Announcement shall be called "Walailak University Announcement on Policy on Disability Accommodation and Inclusive Facilities, B.E. 2569 (2026).

2. This Announcement shall take effect on the day following the date of its publication.

3. The University shall provide accessible classrooms, lecture buildings, and pedestrian pathways to ensure barrier-free access for persons with disabilities and individuals with special needs. All lecture buildings shall be equipped with wheelchair ramps, disabled parking areas, accessible sanitary facilities, and disability-related signage based on the Ministerial Regulations on the Provision of Facilities in Buildings for Persons with Disabilities, the Impersonated, or the Elderly (No. 2), B.E. 2564 (2021).

4. The University shall ensure the provision and continuous improvement of accessible facilities, infrastructure, and support services for persons with disabilities, individuals with special needs, and those requiring maternity care, in order to promote equal access to education, services, and campus life.

5. The University shall provide and maintain accessible facilities and services across the campus for persons with disabilities, individuals with special needs, and maternity care, including but not limited to libraries, classrooms, restrooms, lactation rooms, transportation systems, and daycare facilities.

6. The University shall ensure that all buildings and physical infrastructure are designed, constructed, and maintained in accordance with accessibility principles, including but not limited to wheelchair ramps, accessible entrances, accessible restrooms, braille blocks, disability signage, designated parking areas, accessible elevators, and emergency support systems.

7. The University shall require that accessibility features, including but not limited to wheelchair ramps and accessible toilets, are incorporated into all newly constructed buildings to ensure inclusive access for all users.

8. The University shall provide accessible dormitory accommodations for students with disabilities by assigning suitable rooms, preferably on lower floors, to reduce or eliminate the need to use elevators and stairs.

9. The University shall provide mentoring and support services for students and staff with disabilities through designated support units to promote academic success, well-being, and inclusive participation in university life.

10. The University shall assign responsible units to regularly inspect, maintain, and improve accessibility facilities to ensure safety, functionality, and usability.

11. The University shall maintain strict confidentiality of all personal information related to disability status, special needs, and maternity care. Such information shall not be disclosed without the consent of the individual concerned, except as required by law or authorized university procedures.

12. The University shall continuously improve disability accommodation and inclusive facilities through systematic planning, implementation, monitoring, and evaluation to respond to the evolving needs of the university community.

13. The President shall oversee the implementation of this Announcement. In the event of any dispute, ambiguity, or difficulty regarding interpretation or execution, the ruling of the President shall be final

Announced on 5 November 2026
